

Don't overpay because of inaccurate estimates.

Subrogation Reviews

Your subrogation recovery gets faster and easier with PDA on the job! Our expert appraisers work as your eyes and ears to review every detail of the estimates we audit for you, and we'll make sure your company pays exactly what it owes, not a penny more or a penny less. In fact, we complete most reviews without re-writing the estimates, saving you money on loss adjustment costs.

Thanks to PDA *Xpress*, our Web-based photo damage estimate platform, we complete subrogation reviews in 3 hours or less. Chances are that's faster than your own staff can do it.

We give subrogation reviews the attention they deserve:

- Accurate audits to ensure you pay only what you owe
- Clearly outlined reports verifying our findings
- 3-hour turnaround times to help you close claims and recover money faster
- Defensible information for subrogation negotiations and mediation/arbitration, should it occur

Desk Reviews

In addition to subrogation reviews, PDA audits body shop appraisals for accuracy, too. Our expert appraisers review photos of the damage and double-check estimates, ensuring that you don't pay a penny more than you owe.

Send your desk reviews through PDA *Xpress*, and we'll complete them in 3 hours or less!

At PDA, we exceed a higher standard.

PDA has more than 50 years of appraisal experience and is the only nationwide appraiser of automobiles, heavy equipment, trailers, tractors, boats/marine, motorcycles, RVs and off-road vehicles. We lead the industry in expertise, training, professionalism, accuracy and turnaround time. If it's your priority, it's our priority.

For subrogation and desk reviews, we assess both repairable and potential total loss units for multiple variables to include, but not limited to, parts, labor, prior damage, actual cash value and betterment, to name a few.
